

January 2014 | Volume 2 | Issue 1

## All Companies Have Intellectual Property Infringement Risk

All companies, regardless of <u>industry</u>, that make, use, sell, offer for sale, distribute, supply or import products and/or services risk being sued for intellectual property (IP) infringement and should consider an IP-specific <u>Defense</u> insurance policy.

## **Abatement Insurance: A Unique Solution to Help Enforce IP Rights**

IPISC's <u>Abatement</u> insurance policy is a unique insurance solution to help companies fund the attorney-related <u>costs</u> needed to enforce IP rights against infringers so they can get through the lawsuit on the merits.

## **Time to Take Your Clients' IP Exposure Inventory**

With the new year upon us, it's time to take your clients' IP exposure inventory with the proper risk management tools.

## **Managing Risk with IP Insurance**

Learn how to manage IP risk through specific <u>insurance</u> in this issue of <u>IP Litigator</u>, by Robert Fletcher, President of IPISC.
